### TEN MILLION FOR CARS.

litimore and Ohio Orders Large Amount of New Equipment.

Baltimore, Md., July 16 .- That the officials of the Baltimore and Ohio Railroad believe that prosperity is on the return is evidenced by the asking for bids today for new equipment to cost \$9,000,000

It was announced at the executive offies of the railroad in this city that bids Startling Charge of How have been asked on 6,000 freight cars, 70 passenger cars, and 65 locomotives. All this equipment is for delivery as soon as the manufacturers can turn it out, which The plans for the new relling stock were completed some time ago, but were held up by the business depression.

## KILLED IN QUAKE.

in Southern Greece.

Athens, July 16 .- Details of the earthunke which shook Southern Greece are still lacking. The latest telegrams state that 300 persons were killed or wounded. A curious natural phenomenon is reported from various parts of the country, wher the rivers and streams were colored red.
